HARC MINUTES FOR NOVEMBER, 2016 MEETING

Respectfully submitted by Dave Milam KB0RZN
Hannibal Amateur Radio Club
Monthly Meeting Minutes
November 11, 2016

Don (KD0HHN) opened the meeting at 7:00pm with 18 people present. Don submitted a new proposal for membership for Jerry Smith (KE0KVC). A motion to accept the proposal was made by Ed (K9WAY) and seconded by Cliff (K0CA). The proposal carried. Congratulations Jerry as our newest member! Don he asked if everyone had read the minutes for October, and asked for any changes or corrections. Hearing none, Don asked for a motion to accept the minutes. Ed (K9WAY) motioned to accept, and it was seconded by Chet (W0CCR). The motion carried.

Treasurer's Report:

Larry (WB2UFO) read the Treasurer's report for October 2016. Last month's Ending Balance was \$1315.42, this month's Ending Balance is \$1329.42, and the CD Balance is \$1,323.30, making the Total Assets \$2,652.72. A motion to accept was made by Ann (KB9BAL) and seconded by Ed (K9WAY). The motion carried.

Repeaters:

We have no known problems with either repeater.

Unfinished Business:

Don (KD0HHN) reported the Halloween Parade was held October 29th. Ken (KE0KCQ), Rocky (KE0KCR), and Bob (KE0KDG) participated in their first event, the weather cooperated and things went well.

New Business:

Don (KD0HHN) presented First Contact Awards to Ken (KE0KCQ) for his contact on the October 17th Net with Tony (W0PGL) who was Net Control, and to Rocky (KE0KCR) on the October 24th Net with Steve (KD0YTH) who was Net Control. Congratulations Ken and Rocky!

Don reported that Fred (KB0WIL) is moving to St. Louis in the near future, and the Club Officers met November 4th at Cliff's (K0CA) house to discuss storing Club equipment and records presently in Fred's possession, repeater maintenance, testing liaison and maintaining the website. Cliff (K0CA) will take over the website and maintain the club roster; Larry (WB2UFO) will take over the VE liaison position for testing; Don contacted several members to see if they would take on the repeater maintenance and checked into pricing for a storage unit for the Club's equipment. However, Don learned that Chief Nemes authorized and will provide a cabinet at the meeting facility exclusively for the Club's use.

Don suggested and Ed (K9WAY) made a motion to present Fred with a lifetime membership and a plaque for all he has done for the Club. The motion was seconded by Cliff (K0CA), and the motion carried.

Next month will be the election of officers. The current slate is Don (KD0HHN) for President, Ed (N0WNV) for Vice President, Larry (WB2UFO) for Treasurer, Dave (KB0RZN) for Secretary and Cliff (K0CA) for Club Trustee. If anyone would like to run for one of these positions, please let the Club know.

We will also nominate a "Member of the Year" if the Club finds it appropriate. Past recipients have been Don (KD0HHN), J.D.(W0AJD), Bonnie (WB0WAP), Carol (WA9EFV), Cliff (K0CA), Tony (W0PGL), Fred (KB0WIL), Larry (WB2UFO), and Howard (K0DFW).

Ed (K9WAY) recently received a MFJ VersaTuner as a donation to the Club from Paul Manning (KD9MW). Ed will provide his address and information so the Club Secretary can send a thank you note.

50/50 Drawing:

The 50/50 was won by Tony (W0PGL) . Tony donated it back to the Club. Thanks Tony!

Radio Drawing:

A Baofeng Radio was won by Ed (K9WAY). Congratulations Ed!

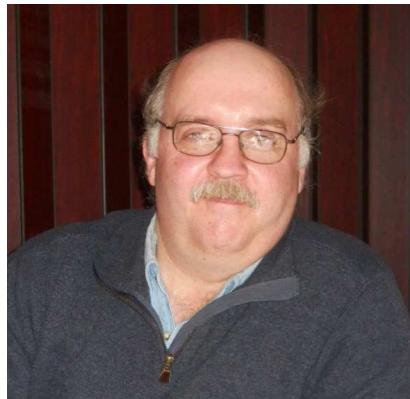

Don asked for a motion to adjourn. Steve (KD0YTH) made the motion, and it was seconded by Ed (K9WAY). The motion carried.

The Meeting was turned over to Glenn Schulz (W9IQ) the Missouri Section Technical Coordinator for ARRL for a presentation on "Understanding SWR and Feed Line loss".

BY DON VARY KDØHHN

First off, I would like to express my condolences to Nancy Bartlett and the Bartlett family on the passing of Carol, WA9EFV. I know that I will miss hearing "This is WA9Easy Frank Victor" on the nets every Monday night. I would invite the members of the club to send me any stories about Carol that you may like to share, and I can include them in a future newsletter.

Just a reminder for everyone that your 2017 dues are coming up. Either mail your payment to the club or give them to Larry at the next meeting. Also the December meeting is our Christmas party. Everyone is asked to bring a dish to pass, and the party will start at 6:30 with the meeting to follow. Election of officers will also be held at this meeting, with the current slate of officers running for re-election. If anyone is interested in running for office, be at the meeting. For those who didn't make the last meeting, you missed a good presentation. Glenn Schulz is the ARRL Technical Coordinator for Missouri and part of his job is doing presentations on various subjects. He did a talk on Feedline loss and understanding SWR. He had some good handouts for the meeting, and I do have copies of them if anyone is interested. Also if anyone had any ideas for future presentations, please let me know and we will see what we can do.

There will also be some changes in the club. Fred Miller, KBØWIL, is moving to the St.Louis area. Fred recently got married and he and his wife Karen will be buying a home down that way. As a result, Larry, WB2UFO has taken over the VE Liaison duties and will be the contact person for testing. Cliff, KØCA will be taking over the website and roster duties and Vern Killian, W5UYF, and Shane Jaeger, KDØUUW, will be taking on the repeater maintenance job. . The club equipment will be kept at the Marion County Ambulance District training center (our meeting place). Asst. Chief Eric Murffin said that our cabinet would be ready this week for our gear. I know that I can speak on behalf of the club when I wish Fred and Karen all the best, and we thank him for all of his years of service for the club.

Well I guess that's it for this month. Here's hoping that everyone will have a safe and joyous holiday season and we'll see you down the log.

DX FROM THE TREASURER'S DESK BY LARRY LAUER WB2UFO

Larry Lauer, WB2UFO

Hello from Larry WB2UFO

Big contest for the CW crowd coming up CQ World Wide CW November 26-27. Many of those stations will be on the air pre and post contest on SSB, so look for them. There are also many holiday special event stations that might be fun to look for.

I found an interesting article and websites devoted to band conditions in real time, real signals, It is very interesting and useful.

REALTIME BAND CONDITIONS WEB SITE [<http://www.bandconditions.com>](http://www.bandconditions.com):

The purpose of this experimental Web site is to provide 24-7-365 (REALTIME) band condition information to CW QRPs, QRPs and CW/SSB for

Contesters interested in increasing their scores. It can also be of benefit to other Radio Amateurs to determine band conditions for Nets and casual QSO's. This information is NOT based on any software predictions or any kind of satellite based readings. It is based on a new Ionospheric sounding method called "HF Ionospheric Interferometry" which operates very similarly to the PolSAR system used by NASA.

Also, check out the VOACAP prediction Web page at:

9G, GHANA (Update to OPDX.1291). Dave, AB0GC, reports that he is in Wechi(Brong-Ahafo Region), Ghana, and will be operating as 9G1SD. He informs OPDX that his complete details are too soon to report on because he has to set things up first. However, he states, "I plan to operate from 20-10 meters SSB in particular (as possible), but I have a SignalLink so I may be able to do some other modes. I found the old CW key I left here when I was here before, so some hand CW may be in the future! I used to do some 40 meters West Africa QSOs and I even ventured down to 80 meters for the European net there in the 'Winter'. I may try that again. The situation is a little different now, with a different location, more noise and a lot of VHF/FM stations around to contend with. I'll see what I can do...." QSL via AB0GC, but it may be sometime before you get any QSLs. He is checking into eQSL.

9H, MALTA. Andrew, G8GNI, is now active as 9H3AP until December 9th. Activity will be holiday style mainly on 40 and 20 meters using the Digital modes.
